

British Values Week 2017

At Broadoak we pride ourselves on our British values which underpin our moto of 'Believe, Achieve, Succeed'. The four main British themes are:

Democracy

Liberty

Respect

Law

British values are taught throughout the curriculum all year round but last week was a particularly special week for Broadoak's British values with the 91st birthday of Queen Elizabeth on Thursday 19th April followed by St George's Day celebrated on Sunday 23rd April.

The whole school enjoyed a particularly British menu thanks to our canteen, listened to classic British music on the corridors during breaks and lunch times and Britishness featured in each of their assemblies.

BRITISH WEEK

Tuesday	Wednesday	Thursday	Friday
Soup of the day	Soup of the day	Soup of the day	Fish & chips

Pasta bar Various salads	Pasta bar Various salads	Pasta bar Various salads	Gravy or curry sauce
Jacket potato & fillings	Jacket potato & fillings	Jacket potato & fillings	Baked beans

Year 7 Themed Lessons

Year 7s were particularly privileged to study British Values across all of their lessons last week, with teachers taking the time to refocus their subject to demonstrate the links between Britishness and their subject area.

In English for example, pupils studied British literature, in Computing they explored the importance of following the British laws to protect our use of ICT; Even in Spanish Miss Dunleavy compared the native languages and dialects across Great Britain. In PSHCEE pupils were introduced to the idea of multiculturalism, in Maths pupils practiced and analysed the voting systems in our democracy, and in PE pupils played the British sports of Cricket and Football.

'Our Great British Street Party'

After a very busy week studying all things British in lessons, it was only appropriate that we celebrated in style on Friday afternoon!

Year 7s came together as a Year group to then compete against one-another in their Houses, aptly named after key figures in British history- Baden-Powell, Churchill, Fleming and Scott. We had great fun participating in a British Quiz, we had a game of 'Play Your Cards Right', 'all eyes were down' for a game of Bingo, and the pupils participated in a 'safe' version of British Bulldog!

We ended our celebrations with a traditional afternoon tea, and blasted out the British National Anthem with genuine pride thanks to Mr King's work in their Music lessons throughout the week!

Congratulations to our Subject Stars who were awarded for their excellence and efforts throughout the week too!

We are really proud of our British values at Broadoak and we will continue to promote the themes across the whole school throughout the year. We certainly have some keen ambassadors amongst our Year 7s and 8s!
