Headteacher Message

I would like to draw your attention to the flyer in the newsletter regarding our Summer Fair. This year it is on Saturday 6th July - we have provisionally booked in the sunshine for that day! We have slightly amended the timings and the event runs from 12-3:30pm.

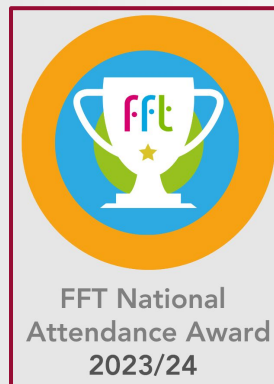

Last year it was fantastic to see so many of you come together and support the event. We are confident that we will have the same response this year. Please do get in contact with the school if you would like to run a stall at the Fair and we can arrange this.

Congratulations to House Quays for being our House of the Week! 🎉 Keep up the amazing work! 🙌 #HouseQuays

#BOS_Work

#BOSWork - Our STEM club were busy making bath bombs. They used a variety of fragrances and colours to make their product. Amazing work done by all!

on wednesday, the children in the AMBER provision made butter chicken. it was made from scratch, the children behaved impeccably, and the food was good enough to give the kitchen a run for their money!!

#Sports_leaders

Big shoutout to our Year 10 sports leaders for organizing an amazing primary sports festival this week! Your dedication and enthusiasm made the event a huge success, inspiring young athletes and promoting the joy of sports. Thank you for being incredible role models and fostering a love for physical activity in our community! 🌟🏆

#BOS_Trips

Extending a heartfelt thank you to @DunhamMasseyNT for an enriching day spent with our Year 10 students as part of the Oak Rangers program! 🌿 From meticulously recreating and tidying the path edges with edge shovels to delving into the pond's ecosystem, every moment was a lesson in environmental stewardship. The hands-on experience with 5 different outdoor tools, from rakes to edge shovels, was invaluable. Together, we meticulously prepared the soil, laying the groundwork for the upcoming wildflower seed sowing in a couple of weeks. And not to forget the 11 holes dug and logs inserted in anticipation of next week's coppicing. Gratitude for empowering our students with practical skills and a deeper connection to nature! 🌻🦋
