Headteacher Message

I would like to offer a huge thanks to all the pupils who were involved in Culture day last Friday. It was an incredible event where the whole of the school was able to be involved in understanding and celebrating our backgrounds and culture. Over 70 pupils proudly showcased their families culture, they did this in a variety of ways and the whole day was filled with happy and smiling faces. It is important to have days like this, and the huge success was in no small part due to the enthusiasm and efforts of our pupils.
