Headteacher Message

My favourite event of the school year is Certificate evening, where we - for the last time as a group - see the Year 11 Class of 2025. It was a wonderful occasion and it was fantastic to see so many ex pupils and their families.

If you don't already know about it, ask your children about our Acorn to Mighty Oak programme. We have seen our first badge winners this week. This is a way to recognise, celebrate and be proud of all the fantastic things our pupils have done, both in and out of lessons. I am sure this will be the start of hosts of pupils reaching this standard.
