NEWSLETTER

Dear Parent/Carer

I hope you have enjoyed your week.

We have been focusing on **Standards** at Broadoak School this week. I have introduced a 'Standard of the Week' initiative which pupils and staff are fully embracing. This week we have been checking on our pupils having the correct equipment and them making sure this equipment is visible on desks so that all pupils are 'Ready to Learn'.

Next week's 'Standard of the Week' will be 'Planners on desks' – ensuring that pupils can easily make notes and can write their homework down. Please support this focus by ensuring your child brings their planner to school with them each day.

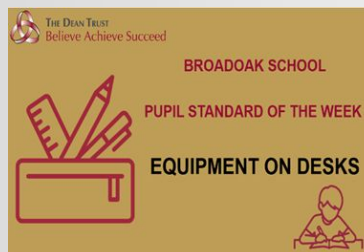

We are also looking at Corridor Culture -with an emphasis on our pupils moving safely around the building.

I am looking forward to my first Parents Evening at Broadoak School next week, with the Year 10 Parents Evening taking place on Thursday evening 4pm until 6pm.

I hope you have a restful weekend.

With kind regards,

Miss V. Gowan

Dates for your diary

Thursday 4th December	Year 10 Parents evening
Thursday 4th December	Broadoak Christmas Markets
Friday 19th December	Last Day of Term

BOS_Work

This week's Brother & Sister Mentoring session was another fantastic opportunity for our Year 11 mentors and Year 7 mentees to connect, support and grow together. The positive relationships forming each week are incredible to see!

#BOS_Community

Last Saturday 8 of our amazing Year 11s supported Mr Edwards by volunteering at the Partington Christmas Lights Switch On. It was fantastic to see the BOS community represented and to see so many staff there supporting such a brilliant afternoon.

BOS_Work

Loving the first design ideas from our Year 10 Photography pupils. Inspired by Horst P. Horst and his stunning *patterns from nature*, the class has produced some brilliant early concepts. A shout out to some amazing edit to Chloe, Daisy May, Jess

THE FRIDAY DROP. I BE HERE.
