

THE DEAN TRUST
Broad oak School

NEWSLETTER

Dear Parents/Carers,

Thank you to our Year 10 families who attended Parents' Evening last night. I hope you found the discussions with teachers helpful in understanding how your child is progressing and the steps they can take as they move through the academic year. Your engagement makes a real difference, and we are appreciative of your continued support.

Many of you also took the opportunity to enjoy our School Christmas Markets, which created a lovely atmosphere throughout the evening. A huge thank you to the staff who worked so hard behind the scenes to organise the stalls—it was a brilliant event and we are very proud of the team who made it possible.

Looking ahead, a reminder that Broad oak School will be supporting 'Christmas Jumper Day' on Friday 12th December in aid of Save the Children. Pupils are invited to wear a Christmas jumper and donate £1 to support the charity's vital work. We look forward to seeing the school filled with festive colour and spirit.

Finally, at The Dean Trust, we are committed to maintaining a safe, respectful and supportive environment for everyone in our school community. To help support this, we have introduced a new Code of Conduct for Parents, Carers and Visitors, which outlines the expectations for all adults both on our school site and externally when engaging with our staff and pupils.

We kindly ask parents, carers and visitors to take the time to read this document, which can be found on the school website. Thank you for your continued support in helping us work together in the best interests of our children.

Enjoy your weekend,

BOS_Work

We would like to thank Success at Schools for delivering an engaging online assembly to our Year 11 pupils, focusing on apprenticeships.

The session provided valuable insights into the benefits of apprenticeships, the application process, and the wide range of opportunities available. Students were able to hear practical advice on how to explore different career paths, identify suitable programs, and prepare strong applications.

BOS_DofE

We would like to extend our thanks to the Duke of Edinburgh (DofE) staff from YouthFed for delivering such an engaging and inspiring presentation to our Year 9 pupils.

The session was a fantastic opportunity for students to learn about the DofE programme, the skills they can develop, and the exciting challenges it offers. We were delighted to see so many pupils take application forms and show genuine interest in gaining these valuable qualifications which starts on the first Tuesday in the new year.
