NEWSLETTER

Dear Parents/Carers

I would like to start by congratulating our Year 11 pupils for the excellent attitude they have shown during the first week of their Dean Trust GCSE mock examinations. Their focus, maturity and determination have been clear to see, and this will certainly help them as they move forward. It is important that pupils keep this momentum going into next week as the mock period continues.

The coming weeks also mark a crucial time for our Year 9 pupils as they begin the process of making their Options choices. This is an important stage in their educational journey, and we will be providing plenty of advice, guidance and support to help pupils make informed decisions that are right for them and will put them on a pathway to success.

Finally, I would like to ask for your continued parental support regarding our stance on mobile phones and electronic devices. Pupils cannot not be using these devices inside the school building and they must be switched off and stored securely in their bags. This expectation is in line with recent government guidance and plays an important role in helping us to keep our whole school community safe. Any pupils caught using their mobile phone in school is at risk of a serious sanction. We can always support pupils who, on a rare occasion, do need to contact home via our Pupil Services office.

Thank you, as always, for your ongoing support.

Miss V. Gowan

Executive Headteacher

BROADOAK SCHOOL
PUPIL STANDARD OF THE WEEK
SHOW YOUR RULER!

Year 9 Parents' Evening

Thursday 29th January

4pm – 6pm

This is a valuable opportunity to meet your child's teachers and learn about their progress as they prepare to pick GCSE and BTEC option subjects. Join us to hear about the strides they are making and discuss their next steps.

#BOS_Work

Mrs Parkins' Year 10 English class has wowed her with the standard of work they have produced for homework. The class are being challenged to complete one piece of academic reading each week to enrich their understanding of the texts they've studied for Literature. Keep up the good work.

#BOS_Work

Fantastic work from 9X/1 this week creating visual ideas for a game through logo design!

Acorn to Mighty Oak

Huge congratulations
21 Pupils this week
who achieved the
Acorn Mighty Oak
Pathfinders Awards
this week. Brilliant
work!

#BOS_Lego_Leauge

#BOSWork. Our LEGO Leaguers were working on their innovative project and made edible plastic! They're investigating if glycerine has an effect on their end product. Well done all!

Outstanding Young Leaders Shine at Manchester United Event

Two of our students were an absolute credit to the school during a recent leadership event with Manchester United. From start to finish, they demonstrated respect, kindness, and maturity beyond their years. While many were eager to meet the players, they patiently waited their turn, often choosing to be last for photographs so as not to push ahead of others.

Their exceptional conduct and confident communication did not go unnoticed. Both students were selected by the media team to take part in a joint interview at the end of the day, having been recognised as the standout pupils of the event. They spoke clearly, thoughtfully, and with great confidence throughout.

During the experience, they had the opportunity to meet or speak with a number of first-team players, including Dalot, Maguire, Casemiro, Mainoo, Bruno, Amad, Cunha, Zirkzee, Šeško and Bayindir.

Both students successfully completed their Young Leaders Qualification and had an unforgettable day. We are incredibly proud of how they represented themselves and the school they were simply fantastic.

A huge thank you to the team for supporting our Panathlon trip! Your help made a real difference in developing confidence and encouraging participation in physical activity through sport. 🏀🏆
